

KIT UPDATE

A440F

K78900C

We now have available Upper (PI#78543) and Lower (PI# 78542) Valve Body gaskets for the diesel Landcruiser, produced 1/90-8/92.

These VB gaskets are used in Landcruisers that are Non-USA and found mostly in Europe and Asia. 1pc. each have been added to above kits.

****Please contact your PI Sales Rep or Distributor for more information****
